Thank you for your Freedom of Information request, which was received by the Human Tissue Authority (HTA) on Tuesday 30th May 2023. Your email outlined the following request:

“Please may I make one final request under FOIA.

I notice that under the description of one of your Executive Team, they mention: “...enjoys the intellectual and creative challenge of developing and delivering innovative solutions in complex environments. Over the course of her career these innovations have been recognised through national awards” (ref - <https://www.hta.gov.uk/about-the-HTA/our-board-and-committees/authority-board/meet-our-board-and-executive-team>)

Please would you provide detail on which innovations this individual has been responsible for that been "recognised" through national awards, detailing:
